# IN PARTNERSHIP

## WITH

**PROUDLY**  
**ASSOCIATED WITH**

Situated in the Boane District of Maputo Province, Beluluane Industrial Park and Free-Trade Zone is one of Mozambique's largest industrial parks, and was established with a free-trade zone component as a way of stimulating economic growth. Together with the Mozal Aluminium Smelter, Beluluane Industrial Park represents almost 30% of industrial employment in Maputo Province and nearly 10% of industrial employment on a national scale.

# About Us

Mozvest facilitates conferences that focus on providing information about current and upcoming investment and business opportunities in Mozambique.

Mozvest is dedicated to unlocking these opportunities by promoting Mozambique's rich natural resources and human capital, as well as examining synergies between Mozambique and other countries, presenting Mozambique as a mature economic force triggering further growth across the region .

Mozvest conferences create a unique platform to engage with and gain valuable insight from key role-players and leading industry experts, discussing concrete opportunities and topics ranging from strategy, skills shortages, operating efficiency, investment, and technical know-how.

Mozvest conferences provide accurate, up-to-date information vital to any potential investor or business looking to invest in Mozambique
